

Charger & Battery

18V Power Supply

Ramset™

A18 Lithium Ion

LED charge indication

Heavy duty construction withstands 2 metre drop

Slide rail ensures secure connection to the tool

Easy to operate release latches

Rubberized feet keeps in place on slick surfaces

Cordless Power Tools

Description

3.0 Ah Lithium-Ion Battery 18V charger.

Specification

Battery Pack	18 V / 3.0 Ah
Battery Type	Li-Ion
Charger Power Supply	240 V
Weight (Battery)	0.68 Kg
Weight (Charger)	0.66 Kg

Charger & Battery

Part No	Description	Order Qty
CBATR18	18V 3.0Ah Battery	1
CCR18	18V / 28V Multi Voltage Charger	1

Batteries and charger can be purchased as individual items or as part of a base kit.

Features & Benefits

- Battery fuel gauge LED's light-up showing how much charge is left
- Heavy duty construction withstands up to a 2 metre drop
- Consistent "Fade Free" power throughout the discharge cycle
- Generator and inverter ready design
- Encapsulated circuit board protects charger from debris, moisture and impacts
- High visibility, 360° degree LED indicates charge status
- Design protects battery during charge cycle, prevents tipping and is wall mountable
- 45 minute charge time
- Durable non slip rubber footprint prevents slipping and protect against impacts
- 2 year warranty (see page 14)
