

DynaDrill™ 611

11kg Demolition Hammer

DynaDrill™ Corded Power Tools

Description

The Ramset™ DynaDrill™ 611 is the new in-line 11kg demolition hammer. With its powerful motor and high impact energy it has one of the best performance to weight ratios in its class. It's all new in-line design makes it ideal for heavy duty demolition jobs.

Specification

Voltage	240V
Power Input	1,700w
Impact Rate	900-1,700bpm
Impact Force (Max)	23J
Chiselling Positions	12
Weight	11.4Kg
Tool Holder	R3™ Max
Cable Length	4m

DynaDrill™ 611

Part No.	Description	Order Qty
DD611	11kg Demolition Hammer	1

Kit includes: Shock proof case, lubricating oil and instruction manual

	Builder	Plumber	Electrician
Concrete Breaking	✓	✓	✓

Features & Benefits

- High performance to weight ratio with 1700W motor and 23J of impact energy.
- In-line design optimizes the tools centre of gravity making it ideal for downward demolition applications.
- Ramset Vibration Control (RVC) controls vibration levels to only 8m/s²
- Adjustable impact force to match base material
- Vario-Lock mechanism for adjusting the chisel angle into one of 12 different positions

Noise / Vibration Information

Sound power level:	103dB (A)
Sound pressure level:	92dB (A)

Wear ear and eye protection.
Vibration: The typical weighted acceleration does not exceed 8.0m/s²
